Press Guidelines

The AudiologyNOW! 2012 Press Center: Guidelines for Members of the Press

The following Event Press Guidelines have been adopted as protocol by leadership of the American Academy of Audiology. Members of the press found in violation of these guidelines may be dismissed from the Academy event they are attending.

- The Academy reserves the right to limit access to Academy-sponsored meetings and events.
- Media representatives must check in at on-site registration and provide identification before receiving a meeting press pass. Acceptable identification will include driver's license with a business card, letter of assignment, and/or samples of published works.
- The Academy limits two press registrations per publication or organization.
- Only registered press may display or distribute promotional or press materials in Academy-sponsored press rooms/centers.
- Advertising, sales, public relations, and marketing representatives will not be registered as press. Any individual with a press badge who sells, markets or represents a company for the purpose of obtaining advertising or subscriptions from any registrant or exhibitor or who violates any other Academy rules and regulations immediately forfeits press credentials.
- Media representatives with only press registration are granted access to the exhibit hall, the general assembly, receptions and special events (some require payment). Media representatives with only press registration are not allowed in the educational sessions and cannot earn CEUs for their attendance at AudiologyNOW!
- Live broadcasts from continuing education courses and any other Academy event may not occur without written consent from the senior director of communications.
- Filming, photographing and live broadcasting of any kind on exhibit floors at Academy meetings is allowed only at the discretion of the senior director of communications.
- Camera crews and photographers will always be escorted by Academy communications staff.
- The Academy has contracted official photographers (as designated by their badges) for all on-site convention photography. We ask that you do not disrupt or distract the official photography sessions of any events, sessions, meetings, etc.

- The Academy provides attendee addresses (excluding telephone, fax and e-mail) to exhibitors who offer products and services to the audiology community. If you prefer not to be included in these lists, please check box.
- **No refunds** will be issued for requests postmarked after **March 16, 2012**.
- By completing this form, the registrant agrees to be bound by the AudiologyNOW! attendee policies found at www.audiologynow.org.
